The Honorable William J. Casey
Central Intelligence Agency
Washington, D. C. 20505

Special Evaluation and Reinstatement of [redacted] to the Central
Intelligence Agency (Civil Rights Act 1964, Title 7).

STAT

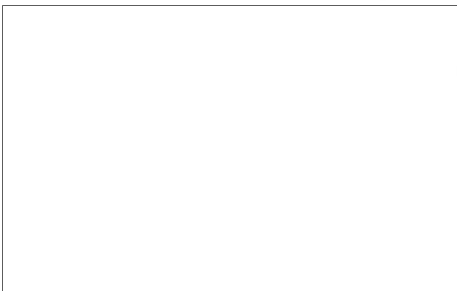

Director Casey:

1. During March 1976, after it became clear that my employment with the Agency would be terminated, I wrote to the Director of Personnel to request a special evaluation of my performance of duty by a board of officers. Several documents on file confirmed my performance at the GS-13 level. I was certain that such an evaluation would result in continued employment. My request was denied.

2. I continue to believe that an assessment of my skills would be in my best interest and the best interest of the Agency. Also, a request for an assessment would be well within the meaning and spirit of the 1964 Act and 1972 Law.

3. Please consider, this my second request for an evaluation and reinstatement to the Central Intelligence Agency in grade GS-13, as of April 1976.

Respectfully submitted,
